Funding Criteria

The Asian American Language Ministry (AALM) was established by the General Conference of The United Methodist Church to strengthen the ministries of Asian American communities. Funding is provided annually for projects and programs that meet the following goals as mandated by the General Conference and the priorities established by the AALM Committee:

- Leadership Development
- Church Growth
- Ministry with the Poor
- Language Resources and Materials

Grants are provided as seed money or matching funds only. All grants must be endorsed by the district superintendent, caucus leadership and/or the annual conference.

Church growth grants are normally made on an annual basis. A multi-year project can reapply each year for up to 3 years with: a new application, an evaluation report and a recommendation from the annual conference. Projects/programs with the strongest potential for viability and sustainability will be given priority. At this time, AALM will not fund building projects or building repairs.

Objective Priorities

Under the goals to reach the General Conference mandates, the Asian American Language Ministry Plan has identified additional objectives to prioritize our grant-funding and programmatic work on behalf of the church. The following objectives help us focus on programs and ministries that contribute to increasing Asian American ministries that are culturally relevant and sensitive to Asian American communities in the U.S.

**FOCUS 1: Leadership Development**

1.1 – Training and recruiting clergy and lay leadership by identifying, recruiting and cultivating people who can offer pastoral leadership and community organization.
1.2 – Develop youth leadership by identifying, recruiting and encouraging young leaders on a regular basis.
1.3 – Develop young adult leadership by reaching out with programs and mission opportunities that are aimed at encouraging them to contribute to the church.
FOCUS 2: Church Growth

2.1 – Develop new and existing language ministries through partnering with annual conferences to see the larger picture and realize the importance of ministries among Asian Americans to assist with resources (financial, human, technical, etc.) for a fruitful and productive ministry.
2.2 – Develop multi-racial, next generation ministries by directly assisting in the development of several new intentional multi-racial/cultural, next generation church starts.

FOCUS 3: Ministry with the Poor

3.1 - Develop community outreach ministries by partnering with districts and annual conferences in responding to ministry with the poor in their respected Asian American areas.

FOCUS 4: Language Resources and Materials

4.1 – Develop relevant resources, culturally sensitive written materials and audio-visual resources that are needed for particular Asian language groups.

Funding Process

1. Initial consultation
When a request for funding is received by the office for Asian American Language Ministries at the General Board of Global Ministries, the staff/designee conducts a phone and/or email conference with the representative of the organization (i.e., DS, conference staff, local church pastor or caucus person, etc.) making a request to obtain the information about the application and to mutually discern whether it is within the General Conference mandate and priorities as established by the Asian American Language Ministry Committee.

2. Application process
Following the initial consultation, an application is sent to the representative of the entity making the request. It will be the responsibility of the organization to prepare the application and return it to the AALM/Global Ministries office.

3. Review and approval process
When the application is completed and submitted to the office, the staff will review it. The staff will then prepare the GBGM Funding Request Form to be submitted to GBGM leadership for its approval. After the GBGM leadership approves it, any amount over $10,000 will be submitted to the AALM Funding Review Committee and the GBGM Board of Directors for final approval; the board meets in the spring and fall of each year.

4. Notification process
Once the GBGM Board of Directors approves the grant application, the AALM office will mail the Letter of Approval and Agreement Form to the representative and others involved in the application process. The representative of the entity making the request is required to return the Agreement Form with his/her signature to the office.

5. Fund release
After receiving the Agreement Form, the office will complete the paper work for the release of the funds and notify the GBGM Treasury of the completion. The actual check will be released directly to the payee indicated on the application form.

6. Evaluation process
Each project which receives funding from AALM is required to engage in an evaluation process. The mandatory evaluation questionnaire will be mailed to the person in charge of the project along with the funds near the end of the funding cycle. The questionnaire is to be completed and returned with the summary report by one month prior to the end of the funding cycle or when the project is completed. For projects that receive more than $10,000 from AALM, a site visit is required as a part of the evaluation process.
