Benefits

- Competitive medical and mental health care plans
- Paid vacation and end of service award
- Ongoing training, education and networking opportunities throughout service
- Learn about more benefits [online](#)!

Why serve?

- Fellows are invited to see differently so they can serve differently.
- Fellows put their faith into action as they pursue social justice, discovering ways to engage in the community to be a part of meaningful change.
- Fellows enter into communities, gaining a deeper understanding of their challenges and assets through relationships with the long-term goal to overcome systemic oppression.
- Fellows learn within a culturally diverse cohort.

Next Step Resources

- [Discernment resources](#) are available on our website.
- Want to learn more? Request to [meet a fellow](#) and hear about their mission journey!
- Attend a [mission engagement session](#) to hear a fellow share about their work.
