PEACE IS SOMETHING WE BUILD TOGETHER

THIS ADVENT, GIVE WITH PURPOSE.

Peace is more than the absence of conflict. It is something we create through understanding, reconciliation, and shared action. Your generosity helps us come alongside communities around the world to build a more peaceful and just future, turning hope for peace into a lived reality.

YOUR GIFT MATTERS

Empowering Mothers to Transform Their Children's World

The Jerusalem Princess Basma Centre's Mother and Family Empowerment Program in Gaza City provides rehabilitation and psychosocial services for children with chronic conditions and post-trauma injuries as a result of the war. Global Ministries' support of the program provides essential therapy while mothers gain knowledge and confidence to continue care at home. Amid conflict and limited service access, the program shows how compassionate rehabilitation and family support can transform the lives of children with disabilities.

THIS ADVENT, GIVE WITH PURPOSE.

As educational institutions, health care organizations, sustainable livelihoods programs, refugee support agencies, and peace efforts continue to receive less and less U.S. funding, vulnerable families and communities all around the world are put at further risk. Join us in responding to this moment with compassion, courage, and lasting efforts.

A gift to Peace and Justice will help to strengthen collaboration with United Methodist and other partners to promote peacebuilding around the world. (Advance #3022835)
