YOUR GIFT MATTERS

Board Approves $4 Million Distribution to the 11 UM-Related HBCUs

Higher Education and Ministry has approved a one-time $4 million distribution to support 11 United Methodist-related Historically Black Colleges and Universities (HBCUs). The funding will be divided equally among the institutions amid financial challenges and growing political pressures. The investment reinforces the church's commitment to educational access, racial equity, leadership development, and strengthening partnerships with HBCUs to sustain their missions and transform lives.

THIS ADVENT, GIVE WITH PURPOSE.

As educational institutions, health care organizations, sustainable livelihoods programs, refugee support agencies, and peace efforts continue to receive less and less U.S. funding, vulnerable families and communities all around the world are put at further risk. Join us in responding to this moment with compassion, courage, and lasting efforts.

Give a gift that supports HBCUs, shaping future leaders for the church and the world (Advance #3022906).
