Global Ministries and UMCOR Support Ebola Response Efforts in DRC

© Eastern Congo Health Council

As Ebola continues to impact communities in the Democratic Republic of Congo, Global Ministries and UMCOR are supporting local health teams with medical supplies, training, disease prevention, and emergency relief. Your generosity helps protect vulnerable families, strengthen local health systems, combat misinformation, and equip communities to respond to this crisis and future outbreaks.

THIS ADVENT, GIVE WITH PURPOSE.

As educational institutions, health care organizations, sustainable livelihoods programs, refugee support agencies, and peace efforts continue to receive less and less U.S. funding, vulnerable families and communities all around the world are put at further risk. Join us in responding to this moment with compassion, courage, and lasting efforts.

Give a gift to our global health program to bring healing and hope to mothers, children, and communities around the world. (Advance #3021770)
